### 12. SECURITY DEPOSIT

Before embarkation, Charterer will deliver at Charter Base a Security Deposit of such amount as listed on pricelist and confirmed by offer statement. Cash payment and credit cards (VISA or MasterCard) are accepted. The Security Deposit is non-commissionable and applicable per insured event (damage or loss). Should an incident covered by the Security Deposit occur during the charter, the Charterer must replenish the Security Deposit to the initial amount to continue the charter, having sufficient coverage for any other incident. In any other case, Stakeholder and / or Owner retain the right to treat the charter agreement as having been breached by the Charterer and end the charter.

At the end of the charter, such deposit shall be refunded to Charterer, without interest, if not required to be used for any liability, indebtedness, loss, or damage caused because of any breach of booking conditions or because of any damage or loss caused to the yacht or its contents, by the charter clients and skipper.

If required to be used for an amount of liability, indebtedness, damage or loss which is less than the Security Deposit, Charterer shall be refunded, as relevant, part of the Security Deposit as soon as reasonably possible after the damage has been repaired or the repair costs have been ascertained or the liability, indebtedness or loss has been settled or ascertained. In the event of any disagreement over liability, damage or loss, Istion Adriatic doo. shall retain the relevant Security Deposit paid until the dispute is resolved.

Retention of the security deposit will not in any way limit or prejudice any claim over and above the sum of the security deposit paid, where the loss or damage was in excess of the security deposit and was either caused by or pertains to illegal actions, or fraudulent behavior, or gross negligence or reckless conduct of the Charterer or where under any circumstances the insured under the yacht's insurance policy will not receive full compensation of loss or damage suffered, due to Charterer's actions or omissions. The Charterer shall then remain liable for the balance of any such losses or damages incurred over and above the sum of the security deposit by Charterer.

## OPTIONAL EXTRAS

### 13. SECURITY DEPOSIT REDUCTION

Charterer can opt to reduce the security deposit by converting part of the deposit to non-refundable as per following scheme:

	NON REFUNDABLE DEPOSIT/WEEK	+ PLUS REFUNDABLE DEPOSIT
<b>Sailing Yachts</b>		
up to 41ft	€250	€400
41-46ft	€300	€500
47-51ft	€350	€600
<b>Catamarans</b>		
up to 40ft	€350	€700
41-43ft	€380	€750
44-46ft	€400	€800

The Security Deposit Reduction\* applies per insured event (damage or loss). This means that if an incident occurs, the Charterer must replenish the Security Deposit Reduction\* to its initial amount in order to be covered for a second incident. If the cost of damage per insured event exceeds the provided amount\*, it will be covered by the yacht's insurance.

However, if the loss or damage involves auxiliary equipment of the vessel (e.g., the outboard motor or dinghy) and exceeds the provided amount, the excess cost will be covered by the Charterer.

\*Applicable to the refundable amount of the security deposit.

Istion only aids in finding and hiring local freelance crew directly from Charterer without any surcharge or other fee; facilitating such an arrangement between Charterer and freelance crew does not impose any responsibility on Istion Adriatic doo., arising from the performance of services by crew. ### BOOKING TERMS

All bookings are subject to these terms, any special booking conditions laid out in Istion offer statement and Charter Party Terms which form an integral part of agreement. By requesting to proceed with Booking, Charterer and Broker(s) acknowledge to have read, understood, and agreed to all applicable terms and conditions of booking and of charter. By taking delivery of the yacht, Charterer confirms to have read, understood and agreed to without modification of all Charter Party Terms and assumes full responsibility pursuant to those terms, even if Charterer has not signed himself or at all the Charter Party.

#### 17. BOOKING CONFIRMATION

Any availability offered is not reserved for the charter client until a booking is placed under these terms:

- ▶ Options are placed upon request, for no more than 3 days.
- ▶ Bookings are confirmed and binding on Istion only when:
  1. duly signed Reservation Forms has been provided, and
  2. 1st payment has been cleared in Istion bank account within the deadlines set in the booking agreement.
- ▶ Istion reserves the right to, without any prejudice nor liability and without the obligation for prior notice, treat any booking for which documentation and/or payments have not been provided within the deadlines set forth in the booking agreement and in compliance with agreed terms, as having been cancelled by Charterer.

#### 18. CHANGES IN BOOKING

Each booking pertains to a specific yacht, and any changes to the booking are subject to written confirmation by Istion. Istion reserves the right to, without prior notice, make changes by assigning any booking to another yacht, at any time prior to charter start date, on condition that such yacht shall be of equivalent or better type, model, age, equipment and specifications.

#### 19. OFFER CONDITIONS

Yacht's specification and equipment may vary from those presented on the internet or on any promotional material. Actual yacht & equipment details are valid only as listed / described in the specific offer statement provided by Istion in response to each inquiry for charter.

Information, demonstration models, information sheets, brochures, catalogues, webpages etc. are only of an indicative nature and may, in no event, be considered as firm offers or legally binding elements. Photos and videos of yachts on webpages are merely indicative as to the type and model of the yachts offered and not contractually binding.

Istion makes every effort to update and/or add booking calendar and yacht details and content to its website and B2B booking engines as often as possible. Despite this care and attention, it is possible that content is incomplete and/or incorrect. Specifically, the prices and other information on our websites, on B2B booking engines and on our offer statements are subject to the probability of typing errors and/or programming mistakes. One cannot claim an agreement with Istion based on such errors. In the context of each Booking / Charter Agreement, all persons permitted aboard the vessel by the Charterer during the charter period shall be deemed vicarious agents of the Charterer. Istion will however deal only with the Broker and the Charterer who will also be the lead name in all subsequent correspondence, including changes, amendments and cancellations.

## **20. DOCUMENTATION**

Only documentation (e.g. offers, forms, contracts, checklists etc.) issued by Istion can be accounted for as official proof of the conditions of each charter. Guest comments and evaluations on such forms are to be accounted for as testimony on the services provided. Istion retains the right to completely disregard any documents/forms etc. not issued by Istion.

## **21. COMPLAINTS & ASSISTANCE**

Istion provides 24/7 support line to charter clients during their holiday. Charter clients requiring assistance whilst away should inform the local base manager without undue delay, then he will endeavor to put things right asap.

On condition that the Charterer will cooperate in such efforts, Istion will strive to resolve any technical issue within 8 working hours but understandably this may not be feasible in remote locations.

In any case that the Charterer fails to either respond to communications or to comply with the instructions provided by Base Manager, the Charterer shall forfeit any right to complaint.

Istion reserves the right to disregard any complaint which pertains to a condition that could be remedied during the charter

and for which Charterer and/or Skipper have failed to comply with the instructions and requirements of Istion necessary to remedy the cause of complaint. Charterer/Skipper do in such case forfeit any right to claim any compensation due to the complaint.

In cases of complaints, notice must be given to Istion by written communication specifying the precise nature of the complaint within 24-hours of the event or occurrence and not after the charter period has ended. Any claim or complaint received after charter period, may be disregarded.

If after delivery of the vessel to the charterer Istion receives complaints about the presence of bugs, mice, cockroaches or any other pest, Istion will take care to help eliminate them, but cannot be held responsible. Any claim for compensation or change of boat will be rejected as the boat was delivered checked and free of the above. We strongly recommend a thorough inspection of the vessel by the charterer prior to departure and full recording of any observations. Any issue that has not been communicated to Istion in writing during the cruise in order to give Istion the opportunity to assist and the issue leads to a claim for compensation will be rejected.

## **22. YACHT DISABLEMENT OR TOTAL LOSS**

In the event of failure to deliver the yacht by reason of force majeure, (including but not limited to yacht disablement, actual or constructive total loss before the charter commencement date) then all amounts collected shall be due for immediate reimbursement, without interest, to Charterer.

Istion will in any such case make best effort to provide substitution vessel, but neither Istion, nor Owner, nor Broker are liable to ensure availability of a substitution vessel nor to indemnify the Charterer for consequential damage (as for example for travel and/or accommodation costs) incurred by Charterer. For the purpose of clarity, it is expressly stated that a yacht charter is a stand-alone sea service; it is neither a travel package nor a linked-travel arrangement. Istion is under no contractual obligation or legal liability, to provide the Charterer with a replacement

boat or to pay any compensation in the event of disablement/immobilization or total loss of the yacht during the charter, by reason attributed to the Charterer.

## **23. LOCAL FORMALITIES**

It is a condition of booking that all persons embarking the yacht will in compliance with local regulations provide certain information that will be provided to governmental authorities. The information to be provided will include, but not be limited to, full name (as shown in passport or travel document), gender, city, country and date of birth, travel document type, number, and expiry date, city and country of residence. Once booking is requested, Charterer will be provided with the Reservation Form to sign.

## **24. CRUISING AREA**

The Charterer acknowledges and accepts not to take the Vessel, nor permit her to be taken outside the cruising area, which is Croatia (unless otherwise agreed in writing).

## **25. SAILING QUALIFICATIONS**

No licensing is required by charter clients for skippered or crewed charters.

Bareboat charters in Croatia mandate that there must be at least one certified sailing yacht skipper who also holds a valid VHF operator's license.

The skipper should be competent at handling a yacht in confined quarters, anchoring, berthing and mooring in varying conditions and be able to use navigation and pilotage skills to ensure safety of yacht and of all passengers and materials into account, at all times.

The Skipper must always refer to official printed charts and the Waters Pilot for the sailing area and remains solely responsible for all navigation decisions and for the safety of the vessel and all persons aboard. Electronic charts and data displayed by any electronic navigation aid device including GPS, chart plotters and navigation apps & tablets, are intended for general guidance only and do not replace printed official nautical charts or publications.

[Click here](#) to view the list of valid sailing licenses acceptable by Croatian Authorities for bareboat charters in Croatia.

A copy of all sailing certificates must be sent and received by Istion at least 2 weeks before the start of the charter. Upon arrival at delivery base, Skipper(s) will be required to have their original certificates with them.

Charterer is always liable for suitability of his qualification and certification and neither Istion or the Broker bear any responsibility in case of rejection of sailing certificates by local port authorities. Any Charter Agreement is entered into on the basis of the Charterer's certification and competence in sailing, seamanship and navigation warranted by him and in the event of any error, omission or misinterpretation in this respect being subsequently discovered, Istion shall be entitled to either require from Charterer to own his own expense hire a professional skipper or terminate such agreement forthwith and to retain all amounts payable by Charterer under the provisions of such agreement.

## 26. CHARTER VAT

VAT rates applicable on this date:

- 13% for charters including overnight stay (>24h)
- 25% for daily charters that do not include overnight stay (<24h)

VAT is subject to change without prior notice or responsibility on the yacht Broker, the Stakeholder or the yacht Owner.

Kindly note that in compliance with tax regulations of the Republic of Croatia, any discount that may be offered from the agent's commission and not communicated to Istion in time so as to properly reduce final charter price is subject to VAT (13%) and income tax (18%).

Please ensure to communicate to Istion the final price of charter and any discount offered from your commission immediately upon booking and no later than balance payment date. In any other case kindly understand that we reserve the right to deduct any such taxes from broker and / or charterer (including the collection of amounts due from Charterer's security deposit).

## 27. YACHT INSURANCE

All yachts are insured in fulfillment of Port

State regulations against all accidental damage including damage to third parties. Insurance does include cover for Yacht Hull, Machinery, and Equipment as well as for Third Party liability.

Theft or loss of personal belongings of any persons aboard, likewise all accidents of charter travelers, are excluded from the scope of this insurance.

Yacht insurance may not cover an insurable event caused or connected to willful misuse, gross negligence, fraudulent behavior, illegal activity, breach of charter terms (including any indebtedness created by non-payment of repairs or of refueling or of berth dues etc.). The insurance cover includes a deductible provision which applies per insurable event, hence an excess security deposit to be borne by the Charterer.

## 28. OTHER INSURANCE

Except for yacht insurance stated above, no other insurance is included. For the purpose of clarity and without limitation, it is expressly stated that the Yacht Charter is a stand-alone sea service and not a linked travel arrangement nor travel package agreement. Yacht insurance is included but any other insurance such as Skipper Liability, Travel, Personal Accident, Trip Cancellation or Trip Curtailment Insurance is not included. It is strongly recommended that all persons embarking the yacht will have obtained adequate and valid insurance for all aspects of their trip and that skipper obtains Skipper's Liability insurance.

**Disclaimer:** Even in case Istion may facilitate the placement of insurance, Istion has not acted as an insurance agent or broker but merely introduced parties. As such, Istion makes no representations or warranties as to coverages afforded under the policies nor assumes any liability for any whatsoever act, fault, omission or negligence of Istion, for any denial of cover by insurers for whatever reason or for any applicable policy deductible(s). The insured is at all times recommended to carefully read the insurance policy conditions and to consult insurance brokers and obtain professional assurance that the policy conditions are appropriate to the particular situation.

## 29. BROKER COMMISSIONS

- ▶ Charter prices in Istion official pricelist

include Agent's commission: 20% applicable on the charter fee net of VAT (i.e. on the amount of final charter price after VAT has been deducted).

- ▶ Optional & compulsory extras and additional services are non-commissionable.
- ▶ Broker's commission shall be deemed to have been earned when the charter is fully executed and charterer is not eligible for a refund
- ▶ Broker's commission shall be retained on a pro rata basis, when charterer is eligible for a refund as per Istion's terms
- ▶ In any event of charter cancellation or curtailment, broker's commission shall automatically be adjusted on a pro rata basis.
