▶ ARRIVAL AT NAFPLION

Nafplion is the first capital of modern Greece and a seaport town in the Peloponnese that stands out for its charming and picturesque character. One can visit Nafplion via Athens International Airport which is approximately 2 hours and 171 km away or via Kalamata International Airport which is approximately 1.30 hrs and 138 km away. Nafplion has recently grown into a major tourist destination by offering a journey through time with a plethora of ancient & historic sites such as: Bourtzi Castle, Palamidi Fortress, Acronafplia, Ancient Theatre of Epidaurus, Mycenian Palace, Nemea's Stadium.

Transfer to base

If you're heading to our Nafplion Charter Base straight from Athens International Airport or Kalamata International Airport you can do so via public transportation and shuttle buses or alternatively we do offer private transfer should you require the need. Our charter base is located 350m and almost a 4-minutes walk away from Nafplion port.

Private Transfer

Private Transfer Larger groups of sailors usually find a group transfer by minibus more convenient, whilst others may prefer a private transfer instead of a common taxi. Should you require a Private Transfer, feel free to let us know in advance and we will provide you with quotes from reliable transfer service providers. Please have in mind that the transfer cost will be slightly higher as the drivers also calculate the ride towards the pick-up location as well as any potential delay and whether a night time tariff applies.

➤ ARRIVAL TO BASE

As stated in the booking terms & conditions please note that Security deposit is to be paid via Master or Visa credit card only, no debit cards or personal checks accepted.

02. Inventory list inspection

You will be provided with an inventory list so you may check and confirm inventory delivered with the yacht.

03. Technical inspection

Yacht condition is checked with our staff who will demonstrate basic functional / operational features of the yacht and her equipment.

➤ CHECK-OUT PROCEDURE

Yacht should be returned to Base, a day before the end of the charter period, latest by 18.00pm. To help us be of better service please advise our Base Manager of your **expected arrival time to base, in advance. Upon your return and after mooring your boat at the indicated berth in the marina, you will need to refill the fuel tank.** For more information, please ask the Base Manager.

If during your trip you have noticed any sort of problem or malfunction of the yacht we would be very grateful if you could advise our staff. It is essential to maintaining a high quality fleet of yachts for you, that you provide us with any remarks regarding the function and the condition of our vessels, even minor ones, as we believe that detail makes the difference.

During check-out you are kindly asked to allow our staff to come aboard and inspect the yacht and her equipment; your presence is not mandatory so you will not be wasting any time on this. This inspection is detailed, as we need to assure that the yacht will be in perfect condition, not lacking any inventory, for the following clients chartering her after you. After every charter the yacht is also inspected underwater by the diver so as to avoid any inconvenience.
