▶ GENERAL INFORMATION

Marina location & services

Picturesque Skradin is located about 12km from the city of Sibenik. This romantic small town of mythical beauty carries a rich history & culture, dating back to the Luburnians and then it had the name Scardona. Within reach of the Medieval fortress of Turina (built in the late 13th century) can be considered as the entrance to Krka National Park, 109km² of exceptional natural value and famous for the magical Skradinski Buk & Roski Slap Waterfalls.

Visitors arriving at the marina have the opportunity to wander through the charming paved alleyways, do their shopping, taste the famous Skradin risotto in one of the Dalmatian-Mediterranean Skradin's restaurants and come into direct contact with the customs and traditions of the area. The Historic Car and Industrial Heritage Museum within walking distance of the center, is also an interesting place to visit. Near the marina, you can find many kinds of shops and services while our base staff is always there to assist you finding anything you may require.

Typical itineraries

Our suggested route to the north of Skradin involves exploring the enchanting islands of the Kornati Archipelago, the southernmost of which make up the Kornati National Park. These largely uninhabited islands offer stunning rock cliffs with crystal clear waters inviting you to swim and snorkel for hours on end. For those who can drag themselves away from the water, the islands also offering many options for hiking and visiting landmarks including the Byzantine fortress of Tureta which was built during the 6th century and the Church of Gospe from the 16th century.

To the south of Skradin lie the islands off the coast of the city of Split. The islands also offer a much different experience from those to the north in Kornati being larger and inhabited with historic villages waiting to be explored. Highlights include the islands of Hvar, Brac and Vis but there are many other options for those with specific interests or tastes. Our charter team is always happy to help plan your perfect sailing holiday through the Dalmation Coast, simply contact us for our recommendations!
