BUILDER: CAMPER & NICHOLSONS

## M/Y NORTHWIND II | THE YACHT

### Northwind II: A classic icon reborn

A pristine masterpiece of yachting history, Northwind II seamlessly combines historic grandeur with modern coastal luxury. Her interiors were created by the world-renowned Maison Jansen, designers for the Kennedy White House, Coco Chanel, the Rockefellers, Onassis, and the King of Belgium. The fine woods were lovingly restored by the firm that restored Windsor Castle, and in 2026 she received a further refit.

Featured prominently in Architectural Digest in 2011, she offers an exclusive sanctuary for up to 10 guests in five staterooms, an experience defined by unmatched authenticity and character.

### KEY FEATURES

#### Smooth cruising, Low consumption

Stabilizers ensure a stable, comfortable experience, both underway & at anchor.

#### Elegant and Opulent

Gold banding, ebony accents, and French-polished Burmese teak define her refined Art Deco aesthetic. In 1966 Maison Jansen delivered the pinnacle of design and craftsmanship.

#### Classic Heritage

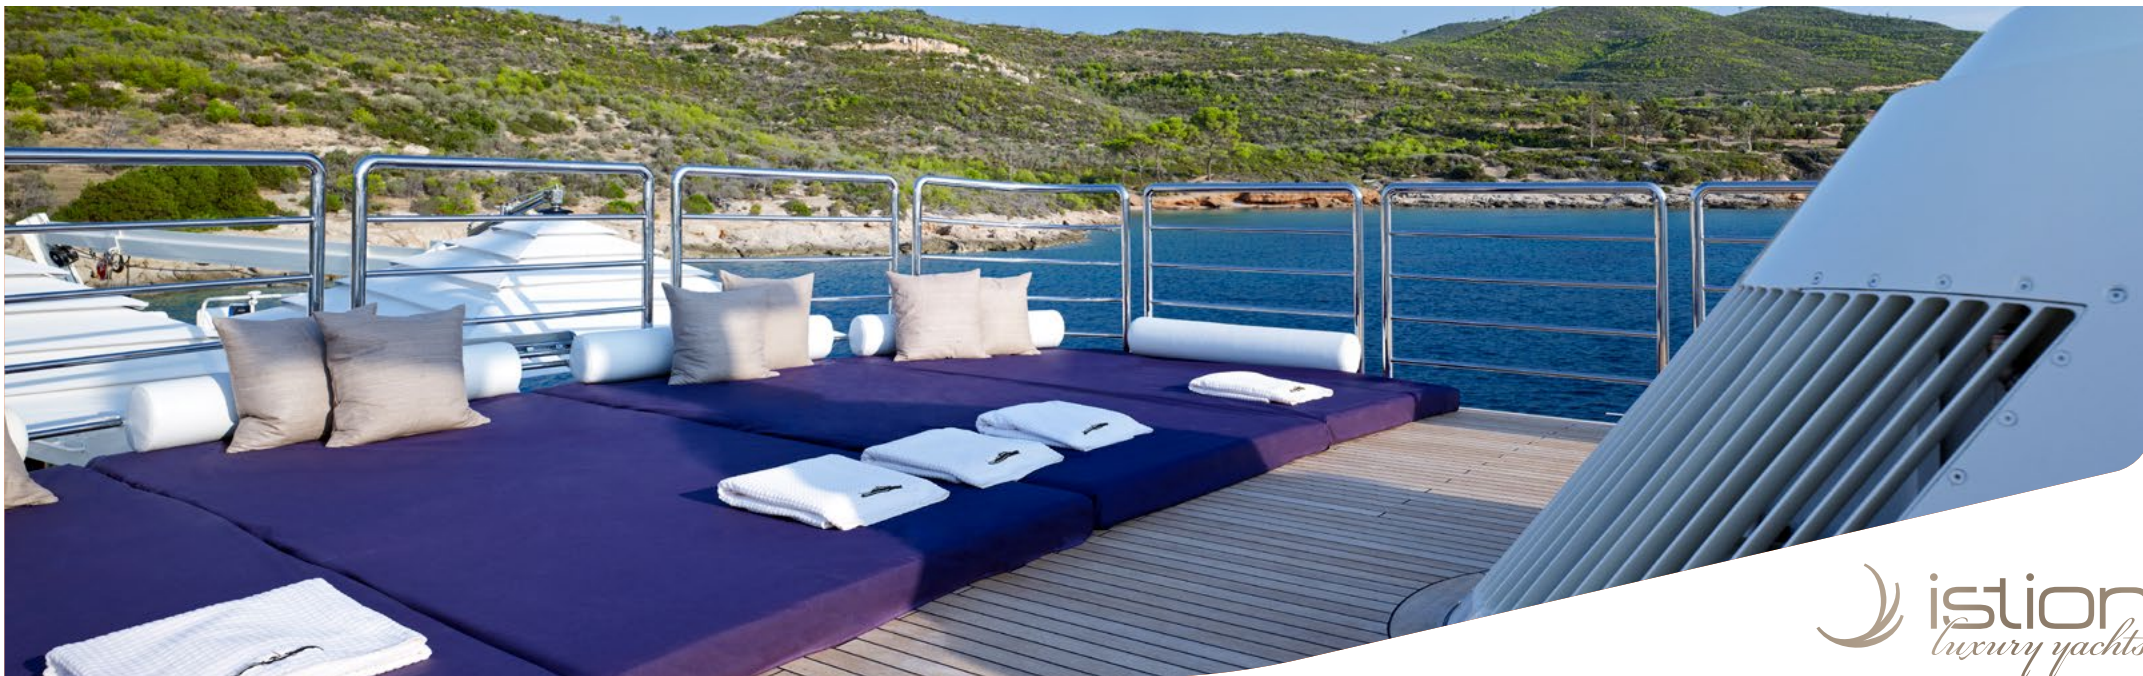

This 45.5 meter gentleman's motor yacht was built in 1966 by the legendary Camper & Nicholsons shipyard in Southampton. After a four year, \$20 million reconstruction, she was relaunched in 2010. She now blends timeless elegance with modern comforts and stands as a meticulously restored monument to 20th century design.

#### High Crew-to-Guest Ratio

Up to 10 guests can enjoy five elegant cabins with exceptional white-glove service from a dedicated professional crew of 9.
