### Cancellation Policy

A. In case it is mutually agreed to postpone a charter, no cancellation fees are charged.

B. In the event of cancellation of the charter by the Charterer, for any reason, the following cancellation policy will apply depending on the time-interval between the booking confirmation and the cancellation date:

1. When cancellation is announced 1 to 45 days prior to departure, 100% of the total charter fee is due.
2. When cancellation is announced 46 to 90 days prior to departure the down payment is due.
3. When cancellation is announced 91 days prior to departure, an administrative fee of 150 euro is due.

In any of the above cases, Istion guarantees that the total charter fee of a cancelled charter will be returned to our customer (except of the administration fee of 150 Euro), in case the yacht is rebooked to another customer for the same period under the same conditions.

### Weather Conditions

Should weather not permit departure and authorization denied by and only by the Port Authorities, all amounts deposited are returned to client. Should client not appear on date of embarkation, Yacht representative is entitled to retain full amount of charter fee on behalf of owner.

If by any reason, the owner fails to deliver the yacht, the charterer is entitled to treat the agreement as terminated. The charterer's exclusive remedy will be to receive repayment without interest of the full amount of payments made by him to the owner or Broker(s).
